Selling Point

2-way, full-range spectrum audio performance

The unique bullet-head design directs full-range 4 inch wool mixed paper driver with excellent bass. The 1 inch tweeter driver creates crispy highs and precious music position. 2-way design separates low resonance from high voice, which delivers even better sound positioning.

36 Watts R.M.S. output Super sound power

Delivering crisp, clean high frequencies so vocals, details come through with brilliant clarity. Above depends on an separate 1 inch tweeter. Another full-spectrum 4" wool mixed paper driver creates expressionist bass and abundant mid voice.

Ultra convenience built within your fingertips

Volume and tone controls are on the side of the speaker. A handy headphone jack is right nearby, too.

Striking contemporary Design

Compact, wood body speakers make a striking visual statement. The steel brush costing front cover reveals bold spirits with intrepid character.

Reinforced 9mm MDF wood box design

All wood enclosure, using 9mm thickness MDF board, which delivers best resonance. Hand-made wood box is crafted with excellent quality and intensity, which presents the best listening experiences.
