MobileNAS MN2LP

2-Bay RAID 0 / RAID 1 Network Attached Storage NAS Server w/ LCD

The **MobileNAS MN2LP** 2-bay network enclosure is a storage device that allows the sharing of documents, files, and digital media such as music, photos, and video with everyone on the home or office network. The newly added LCD display provides RAID, IP and system information. With FTP support, the user could access files remotely via the Internet. The built-in account management allows data safe-keeping by giving read-only or full read/write permissions to specified users or groups. Utilizing the latest SATA III technology, the MN2LP supports hot-swap with RAID 1 (mirroring) and RAID 0 (stripping), allowing the protection against hard drive failures or storage space expansion. The MN2LP supports PC (Windows 2000, XP, 2003, Vista and Windows7), MAC, or Linux-based OS, making it an ideal network storage sharing platform.

Features

- Share documents, files, and digital media such as music, photos, and video with everyone on the home or office network.
- Convenient access to stored files remotely through the Internet.
- Built-in account management allows safe data-keeping by giving read-only or full read/write permissions to specific users or groups.
- Utilizing the latest SATA III technology, the MN2LP supports hot-swap with RAID 1 (mirroring) and RAID 0 (Stripping), allowing the protection against Hard Drive failures or expands your useable drive space.

- Supports PC (Windows 2000, XP, 2003, Vista, and Windows7), MAC, or Linux-based on your network, making it an ideal network storage sharing platform.

Specifications

Model	
MN2LP	
Form Factor	
2 Bay Enclosure	
HDD Trays	
2 x 3.5" SATA I, II or 6G SATA III	
RAID Level	
0, 1, JBOD, Spanning	
Maximum Capacity	
6 TB	
Auto Rebuilding	
Yes	
Supported Protocol	
CIFS/SMB, NFS, FTP	
Host Interface & Transfer Rate	
Gigabit Ethernet	
Drive Interface	
2 x 3.5" SATA I, II/ 6G SATA III	
Cooling Fan	
1.6" Ball Bearing	
Power Supply	
Single 70W (100 ~ 240V)	
Control Interface	
Web Browser, supporting Internet Explorer and Firefox, LCD	
Status Indicators	
LCD, Front Environment Indicator LED	
Dimension (in) & Weight (lb)	
4.8"W x 7.9"D x 4"H & 3.7	
Safety Regulations	
CE, FCC, UL, RoHS	
Limited Warranty	
2 Year
