

Aeromax AU8710

7.1 USB Sound Box

AU8710 offers a high quality solution for upgrading desktop or laptop sound. It supports analog and digital audio for 2 to 7.1 and has a 3.5 mm Line, digital input and 2 Microphone inputs, 7.1 outputs, AC-3 over optical out, 1 line output and buttons to control volume up/down and directly mute the output. It is easy to install with plug and play support in Windows XP, Vista and Windows 7 operating systems. With AU8710, you can enjoy immersive PC game play and multichannel MP3 or other digital music only with one USB cable connection to your desktop or laptop!
