

## Compact Spaces Demand Compact Solutions!

**New CD/DVD Rackmount Duplicators are the perfect solution to maximize space and meet your growing duplication demands.**

EZ DUPE is proud to present the new CD/DVD Rackmount Duplicator series – the perfect solution to maximize space and meet your growing duplication demands. These innovative multi-drive CD/DVD rackmount duplicators yield up to 9 copies at a time, and their stand-alone feature make them ideal for just about any work environment. Heavy-duty steel housing with enhanced air circulation vents and a screw-less thumbscrew design provide superior durability; a full range of sizes, from 3 Target (4-bay), 5 Target (6-bay), 7 Target (8-bay) to 9 Target (10-bay), grants additional flexibility. All rackmount duplicators also include our high-performance Athena Duplicator controller, which offers simple, one-button operation for beginners and advanced menu options for professional users. The CD/DVD Rackmount Duplicators, perfectly complemented by Athena CD/DVD Duplicator controllers, are simply one of the fastest and most reliable rackmount duplicators on the market today.

- Available in 3 Target (2U), 5 target (3U), 7 Target (4U), & 9 Target (5U) Rackmount cases
- Durable, stylish, rugged design with heavy-duty housing is ideal for an industrial environment
- 8cm Ball bearing fan maximizes ventilation and simplifies replacement. (Number of the fans installed depends on the size of the case)

- Excellent mechanical design provides ultimate cooling throughout the duplication process
- Clearly visible power LED indicators on front panel
- A 250W, 300W, and 400W industrial power supply with safety-approved selectable voltage
- Compact industrial design makes this unit shock-proof, dust-proof, water-proof and air-tight
- Drive supporting rails simplify the installation & replacement of optical drives
- Available in black and beige models
- Comes with a 1 year warranty (parts & labor included) & <sup>L</sup> free life-time technical support
