

JUNE 2-5, 2026 | TWTC & TaiNEX 1, 2

AI TOGETHER

A decorative background image on the right side of the page. It features a large, detailed pink lotus flower in full bloom, set against a dark background. The flower is framed by a faint, glowing pink square border. The overall aesthetic is elegant and modern, with a focus on natural beauty and technology.

“

COMPUTEX is the biggest tech expo that happens every year, and there's no way I could miss this!

Vimal Chintapatla

802K subscribers

“

The most unique thing about COMPUTEX is that all the booth there's at least one thing that I'm interested in. So that's why I have to go everywhere.

Cambotar

1.70M subscribers

“

What makes COMPUTEX unique is the fact that we got so many people across the globe, from the media to investors, so its great to see how busy the industry is.

Dariusz Tech

143K subscribers

“

COMPUTEX is the first event I've been to where I can see things like infrastructure-type technology. It's only here that I can see it up close and personal.

Shannon Morse

156K subscribers

“

I think COMPUTEX is so special for me to attend. I look forward to Taiwan being number one in semiconductors and the AI ecosystem.

Ceemeagain

907K subscribers

“

COMPUTEX is one of the biggest tech venues in the world; it can give you deep insight into new technology.
